Observera att fordonen kan ha levererats senare. I förteckningen upptas sista planerade chassinummer för varje kalenderår för lastvagnar, bussar och äldre personvagnar.

Från 140-serien, 164 och senare personvagnar anges sista chassinummer per modellår.

The attached lists specify all cars, trucks and buses produced in 1955 and later.

Please note that some vehicles are possibly delivered later than the production year. The years stated in the lists are calendar years for trucks, buses and older cars.

For the 140 Series and 164 as well as for later cars, the years mean model years. The chassis numbers mean the last vehicle produced during the calendar year of model year respectively.
